

### REMARKS

Reconsideration of this application is respectfully requested in view of the foregoing amendment and the following remarks.

Claims 1-14 are pending. Claims 2, 3, 6-10 and 14 have been amended. Claims 4 and 5 have been canceled. Claims 15 and 16 have been added. Thus, upon entry of this Amendment, claims 1-3 and 6-16 will be pending herein.

In the Office Action, the Examiner rejected claims 1-3, 6-8 and 11-14 while holding claims 4, 9 and 10 to be allowable. In view of this, Applicants have amended claims 1-3, 6-9 and 14 while adding new claims 15 and 16, as per attached here.

Amended independent claim 1 now incorporates the limitations of original claim 4 held allowable by the Examiner. However, amended claim 1 incorporates only part of the limitations of original claim 2 and 3 though original claim 4 depends from original claim 3 which in turn depends from original claim 2. This is because original claims 2 and 3 themselves were rejected over the prior art, so that original claim 4 is considered allowable due to the limitations of that claim alone, but not due to the limitations of original claims 2 and 3. Therefore, amended claim 1 is believed to be allowable for the same reason as original claim 4 is allowable, together with dependent claims 2, 3 and 6-13.

Claim 14 is amended similarly to claim 1, and is allowable for the same reason.

New claim 15 and 16 correspond substantially to original claims 9 and 10, respectively, held allowable by the Examiner. Therefore, new claims 15 and 16 are believed to be allowable for the same reason as original claims 9 and 10 are allowable.
